## Spheris opens Coimbatore facility

SPHERIS India (formerly Healthscribe India) has opened its facility in the STPI IT park at the Kumaraguru College of Technology. The Coimbatore facility is Spheris' second in the country and has come up on a 35,000 sq ft area. Spheris currently employs 300 people in the facility and plans to increase the headcount to 1,000. It would also add another 15,000 sq ft at the new centre and has so far invested Rs 10 crore in the facility.
